Nickel Plate Nordic Centre Refund Policy

Membership fees may be refunded 75% before December 31 and 25% before January 31 for medical reasons only. There will be no refunds after February 1.

If the club is mandated to close by provincial authorities due to Covid-19 restrictions, membership fees will be refunded according to the above. Given that the centre still incurs operating costs even when closed, we kindly ask that members consider generously converting their membership fees into donations. Tax receipts would be issued for those donations.
