Preamble

2. Nickel Plate Nordic Centre understands that screening personnel and volunteers is a vital part of providing a safe sporting environment and has become a common practice among sport organizations that provide programs and services to the sport community.

Application of this Policy

- 3. This Policy applies to all individuals whose position with Nickel Plate Nordic Centre is one of trust or authority which may relate to, at a minimum, finances, supervision, or Vulnerable Participants.
- Not all individuals associated with Nickel Plate Nordic Centre will be required to obtain a criminal record check or submit screening documents because not all positions pose a risk of harm to Nickel Plate Nordic Centre or Participants. Participants will be subject to the screening requirements described in the Screening Requirements Matrix found in **Appendix A** of this Policy.

Screening Committee

- 5. The implementation of this policy is the responsibility of the Screening Committee which is a committee composed of either one (1) or three (3) members. Nickel Plate Nordic Centre will ensure that the members appointed to the Screening Committee possess the requisite skills, knowledge and abilities to accurately screen documents and render decisions under this Policy.
- 6. The Screening Committee is responsible for reviewing all documents submitted and, based on the review, making decisions regarding the appropriateness of individuals filling positions within Nickel Plate Nordic Centre. In carrying out its duties, the Screening Committee may consult with independent experts including lawyers, police, risk management consultants, volunteer screening specialists, or any other person.
- 7. Nothing in this Policy restricts or limits the Screening Committee from requesting that the individual attend an interview with the Screening Committee if the Screening Committee considers that an interview is appropriate and necessary to screen the individual's application.
- 8. Nothing in this Policy restricts or limits the Screening Committee from requesting the individual's authorization to contact any professional, sporting or other organization in order to assess the individual's suitability for the position that they are seeking.
- 9. Nothing in this Policy restricts or limits the Screening Committee from requesting further information from the individual on more than one occasion, subject to the individual's right to insist that the Screening Committee make a decision on the basis of the information before it.

- 10. The Screening Committee may, where appropriate, draw an adverse inference from an individual's failure to provide information or answer queries.
- 11. When assessing an individual's screening application, the Screening Committee shall determine whether there is reason to believe that the individual may pose a risk to Nickel Plate Nordic Centre or to another individual.
- 12. An individual having been previously penalized for a prior offence shall not prevent the Screening Committee from considering that offence as part of the individual's screening application.
- 13. If the Screening Committee determines on the basis of the individual's screening application, in addition to any further material received by it, that the individual does not pose a risk to Nickel Plate Nordic Centre or Participants, the Screening Committee shall approve the individual's application, subject to the Screening Committee's right to impose conditions.
- 14. In the case of a decision denying an application or approving an application with conditions, a copy of the decision shall be provided to the applicant and to the Board of Directors of Nickel Plate Nordic Centre. Subject to applicable privacy and/or employment legislation and any related internal policies, Nickel Plate Nordic Centre may disseminate the decision as they see fit in order to best fulfil the mandate of Nickel Plate Nordic Centre.
- 15. A Participant whose screening application has been denied or revoked may not re-apply to participate in the programs or activities of Nickel Plate Nordic Centre for two (2) years from the date the rejected application was made.

submit up to two (2) additional letters of reference.

19. Notwithstanding the above, Nickel Plate Nordic Centre may ask a young person to obtain a VSC or E-PIC (or its equivalent) if the organization suspects the young person has an adult conviction and therefore has a criminal record. In these circumstances, the organization will be clear in its request that it is not asking for the young person's youth record. Nickel Plate Nordic Centre understands that they may not request to see a young person's youth record.

Renewal

- 20. Unless the Screening Committee determines, on a case-by-case basis, to modify the submission requirements, individuals who are required to submit an E-PIC, Screening Disclosure Form, or Screening Renewal Form, are required to submit the documents as follows:
 - a) An E-PIC (or its equivalent) every three years
 - b) A Screening Disclosure Form every three years
 - c) A Screening Renewal Form (Appendix D) every year
 - d) A Vulnerable Sector Check once
- 21. At any time, including after either the submission of an individual's application or its approval (with or without conditions), the Screening Committee may re-open an individual's file for additional screening if it is advised of new information that, in the discretion of Nickel Plate Nordic Centre, could affect the assessment of the individual's suitability for participation in the programs or activities of Nickel Plate Nordic Centre, or the individual's interactions with other individuals involved with Nickel Plate Nordic Centre.

Orientation, Training, and Monitoring

- 22. The type and amount of orientation, training in addition to the training required per the Screening Requirements Matrix (Appendix A), and monitoring will be based on the individual's level of risk, at the discretion of Nickel Plate Nordic Centre.
- 23. Orientation may include, but is not limited to: introductory presentations, facility tours, equipment demonstrations, parent/Athlete meetings, meetings with colleagues and

supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or initial period of engagement.

- 24. Training may include, but is not limited to: certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.
- 25. At the conclusion of orientation and training, the individual will be required to acknowledge, in written form, that they have received and completed the orientation and training (**Appendix E**).
- 26. Monitoring may include but is not limited to: written or oral reports, observations, tracking, electronic surveillance (e.g., facility security cameras), and site visits.
- 27. Nickel Plate Nordic Centre will annually ensure that Participants have received up-to-date training. When the training program has been substantially updated to include new information or resources, or if the Participant's certification has expired, the Participant will be required to re-take the training.
- 28. Nickel Plate Nordic Centre will provide annual, up-to-date information on their policies and procedures related to Prohibited Behaviour and Maltreatment. Additional training resources may be provided by CCBC, Nordiq Canada, the Office of the Sport Integrity Commissioner (OSIC) and/or Abuse-Free Sport.

How to Obtain an E-PIC or VSC

- 29. Information on obtaining an E-PIC (or its equivalent) can be obtained from the Nickel Plate Nordic Centre President.
- 30. Nickel Plate Nordic Centre and Participants understand that the requirements and process for obtaining an EPIC (or its equivalent) may vary by province. Nickel Plate Nordic Centre and/or the Participant, as the case may be, are responsible for confirming and following the applicable requirements and process in each case.
- 31. Questions concerning a VSC should be directed to the relevant local RCMP office or police service. Fees may also be required.
- 32. Nickel Plate Nordic Centre understands that they may be required to assist an individual with obtaining a VSC. A Request for VSC (**Appendix E**) may need to be submitted or other documentation may need to be completed that describes the nature of the organization and the individual's role with Vulnerable Participants.

Procedure

- 33. Screening documents must be submitted to the Screening Committee.
- 34. An individual who refuses or fails to provide the necessary screening documents will be ineligible to volunteer or apply for the position sought. The individual will be informed that their application and/or position will not proceed until such time as the screening documents are submitted.
- 35. Nickel Plate Nordic Centre understands that there may be delays in receiving the results of an E-PIC or a VSC. At the discretion of Nickel Plate Nordic Centre, an individual may be

permitted to participate in the role during the delay. This permission may be withdrawn at any time and for any reason.

- 36. Nickel Plate Nordic Centre recognizes that different information will be available depending on the type of screening document that the individual has submitted. For example, an E-PIC may show details of a specific offense, or not, and/or a VSC may be returned with specific information or simply a notification indicating 'cleared' or 'not cleared'. The Screening Committee will use its expertise and discretion when making decisions based on the screening documents that have been submitted.
- 37. Following the review of the screening documents, the Screening Committee will decide:
 - a) The individual has passed screening and may participate in the desired position;
 - b) The individual has passed screening and may participate in the desired position with conditions;
 - c) The individual has not passed screening and may not participate in the desired position; or
 - d) More information is required from the individual.
- 38. In making its decision, the Screening Committee will consider the type of offense, date of offense, and relevance of the offense to the position sought.
- 39. The Screening Committee must decide that an individual has not passed screening if the screening documentation reveals any of the following:
 - If imposed in the last three years:
 - i. Any offense involving the use of a motor vehicle, including but not limited to impaired driving
 - ii. Any offense of assault, physical or psychological violence
 - iii. Any offense involving trafficking or possession of illegal drugs
 - iv. Any offense involving conduct against public morals
 - v. Any offense involving theft or fraud
 - If imposed at any time:
 - i. Any offense involving a Minor or Minors
 - ii. Any offense involving the possession, distribution, or sale of any child-related
 - pornography
 - iii. Any sexual offense

Conditions and Monitoring

40. Excluding the incidents above which, if revealed, would cause the individual to not pass screening, the Screening Committee may determine that incidents revealed on an individual's screening documents may allow the individual to pass the screening process and participate in a desired position with *conditions* imposed. The Screening Committee shall have the sole and unfettered discretion to apply and remove conditions, determine the

length of time for the imposition of conditions, and determine the means by which adherence to conditions may be monitored.

Records

- 41. All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, for use in legal, quasi-legal, or disciplinary proceedings.
- 42. The records kept as part of the screening process include but are not limited to:
